Russell is a Lite/Soft Rock, Americana, Folk Rock music artist from St. Paul MN. He thoroughly loves the interaction of playing music to a live crowd and he has a way of igniting that adventurous music flame in the hearts of his listeners.

With a comfortable fun stage presence and warm personality, he leaves a lasting impression. His various guitar styles allow his ability to find connections and share openly with audiences with an expressive voice big enough to fill any room.

“As an artist and performer, it’s exciting for me to see the audience connect to their favorite tunes in such a way they can’t help but join in”.
